BOSTON, Mass July 28, 1922.

Dear Frank:

After much consideration of our facilities at the Range and of the interest shown by the members in all kinds of shooting I want to make the following suggestion for a Tournament to be held each Sunday during August. Each match to be complete in itself on each Sunday, and on Sunday Sept 3rd we will hold a Championship Match. These matches are to be run on the two man team basis each contestant to pair up to suit himself.

On Labor Day we will hold an all-day shoot, Re-Entry Matches in the morning and Team Matches in the Afternoon. Lunch will be served both Sunday and Monday at \$.50 per plate.

If you write this out in the form of a notice I will make hektograph copies for you next Sunday and you can take them away with you and mail Monday July 31 so that every member may have a chance to come in.

Sincerely yours,

Henry M. Binney

* League Record

Well, it's all over until next year and may the 1937 Champions enjoy their "Victory Trophy".

Your last score sheets got to you last week largely thru the help of Mr. Rogers. Come over again any time, George.

My only worry now is, will the treasury balance of \$53.16 pay for all the medals and the engraving. See next sheet for the winners.

A letter just received from Chesley Elroy, Arlington Club, encloses copy of a letter from Leon Henderson's office stating that all gas consumption expended in range activities shall be made good at the filling station in the interests of defense activities.

Dont write Elroy about it or he will be swamped with letter writing, but inform your club officers of this statement from OPA. There should accordingly be no worry about getting to the range again unless things change radically in the coming months.

Good shooting!

Major James H. Keough, Wakefield, Mass.

August 26, 1942.

Dear Mr. Brooke:

The members regret that you did not have an opportunity to finish your string in the Free Rifle match. The club felt obliged to set a time limit on the firing because of a happening at a previous match, when a competitor (the same one) waited until late in the day to fire, and did not finish until late in the evening, long after everyone else had finished--and won the match. This procedure is not fair to the other competitors.

We hope to see you at the range next year, and in the meantime, any time you can get around this way.

Sincerely,

Secy.

Dear Major Roberts:

It seems that the first time the "Free Rifle Match" in its present form, viz: 30 shots at 200 yards on the German Ring Target, was fired at Walnut Hill, was in 1938.

Programs for 1935 and 1936 contain the following paragraph:

"M.R.A. Sixtieth [in both programs] Anniversary Annual Free Rifle Match. Any rifle, any sights, any off-hand position.

200 Yards	20 shots
Standard American Target.	Single Entry, \$1.00
Range open 9 A.M.	Entries close 4 P.M.
Match closes 6:30 P.M."	

I haven't found a 1937 program, but the report of firing for 1937 shows that the match was fired under the same conditions as in 1935 and 1936. The winner was Arthur Elliott, with a score of 162. Conditions were poor.

In 1938 it was decided to change the conditions of the match so as to make it more of a real Free Rifle Match, and the new conditions were set out in a leaflet, copy of which is inclosed in the 1938 program herewith; and copies of the leaflet were sent to well-known shooters in New England, New York, and New Jersey, with an invitation to attend and a request to spread the news. The promotion of this match was handled by Chester Moore, at the suggestion of Dr. Bill, as I remember it.

The match has been fired in its present form in the years for which copies of the report are inclosed, viz: 1938, 1939, 1940, 1941, 1942, and 1946. It was not fired in 1943, 1944, and 1945.

Harry Pope was a visitor in 1935 and 1936, as well as in later years.

If I can furnish any information at any time, I shall be glad to do so.

Yours truly,

J.P. Drungoole.
Secretary.

P.S. The conditions prior to 1938 did not differ sufficiently from those of the Creedmoor Match.

JPD.

January 23, 1947.

Dear Major Roberts:

It seems that the "Free Rifle Match" in its present form, viz: 30 shots at 200 yards on the German Ring Target, was fired at Walnut Hill for the first time in 1938.

Programs for 1935 and 1936 (I haven't found a 1937) contain the following paragraph: (But see below.)

"M.R.A. Sixtieth in both programs Anniversary Annual Free Rifle Match. Any rifle, any sights, any off-hand position.

200 yards	20 shots
Standard American Target.	Single Entry, \$1.00
Range open 9 A.M.	Entries close 4 P.M.
Match closes 6.30 P.M."	

These conditions were similar to those for the Creedmoor, except that the Creedmoor has always balled for 30 shots on the S.A. target.

In 1938 it was decided to change the conditions of the match so as to make it more of a real Free Rifle Match, and the new conditions were set out in a leaflet, copy of which is inclosed in the 1938 program herewith; and copies of the leaflet were sent to well-known shooters in New England, New York, and New Jersey, with an invitation to attend and a request to spread the news. The promotion of this match was handled by Chester Moore, at the suggestion of Dr. Bill, as I remember it.

The match has been fired in its present form in the years for which copies of the report are inclosed, viz: 1938, 1939, 1940, 1941, 1942, and 1946. It was not fired in the years 1943, 1944, and 1945.

After the close of the 1938 match, a match was fired by teams, chosen on the spot, representing "Metropolitan Boston", "Metropolitan New York", and M.R.A. A copy of the report is inclosed.

The annual report of firing for 1937 shows that the match was fired in that year under the same conditions as in 1935 and 1936. The winner in 1937 was Arthur Elliott, with a score of 162.

Harry Pope was a visitor in 1935 and 1936.

If I can furnish any information at any time, I shall be glad to do so.

Yours very truly,

J.P.Drumgoole.
Secretary.

The secretary has recorded the vote of the team captains that 4's shall not be counted.

Each target score is rechecked for rules and accuracy.

This has been proven repeatedly to be necessary in fairness to shooter team and league. It requires time. Be fair to your officers by being careful of details.

GRIPES

From the President:

Names on targets written in wrong place, are not legible, without team affiliation, score panels not filled, score cards minus team capt. and scorer's names.

WHEW!

From the Secretary:

No addresses for three teams, slow fire targets mixed with Nat'l Match slow fire, targets

not marked for course of fire, - only by time consuming cross checking can proper credit be given, - no team fees for printing and target expenses. TWO WHEWS!!

And you want your scores printed, addressed and in your hands before the next match. Hm-m-m!

Scorers should mark the scores in four places today: On the regular score card, blackboard, and on both parts of the Col. Stewart score card. The small part of the Col. Stewart card should be handed to the League Secretary.

Every team should furnish at least one man to work at the Open Shoot on the 27th.

Boys are hired to mark targets, but help is needed on the firing line at 200 yards, the small-bore and pistol ranges and to score targets. The Braintree Club has a lot of work to get ready for this shoot. PLEASE DO NOT LEAVE ALL THE WORK FOR THEM ON THE DAY OF THE MATCHES.

The ladies did it to-day, as Rheda Durgin 393-18x and Dot Ferren 392 16x each topped their teams in this opening match. Grace Lenfest 378 7x was 2nd on Reading #2-----

Hokie Lenfest wishes to protest the scoring on his 100 yd target the extra shot can be identified by the different type hole.

Harold Buck spoke the golden truth when said that mirage at the 100 yard range would " Separate the men from the boys".

Corrections to the scores of last week, all errors of addition, are G. Lienau Framingham 100 yd 195 in place of 185, total 390 and this puts him on the scoring team adding 7 points to Framingham's score from 1941 to 1948. Another change W. McFate 50 yd score should be 195 for a total of 377 this does not effect the team score.

The ladies led two of the teams again, Hope Crombie 393 24x, and Rhoda Durgin repeating with a 392 17x.

Mass Rifle Assn
Jas. P. Drumgoole
P. O. Box 292 Back Bay
Borton 17, Mass.

Dear Mr. Drumgoole:

May we get your announcements and results of shooting matches for GUNS Magazine's section devoted to shooting club activities? If you have a program worked out for the next few months of the year, we would like to know of it so that we may announce your program as it occurs.

We need shooting results, scores and names of winning competitors, and the location of the shooting match. Unfortunately it is not possible to contact you all personally, but I hope you will remember to send me a note from time to time giving me the latest results of your club shoots.

The editors of GUNS make a selection of each month of the most interesting results to give readers a diversified survey of what is going on in the shooting sport, rifle, shotgun, pistol, muzzle-loader, all over the country.

Please address your shooting results to "Shooting Newsletter" here at GUNS.

Cordially yours,

William B. Edwards
Technical Editor

February 24, 1956.

Mr. William B Edwards, Editor,
Guns Magazine,
8150 North Central Park Blvd.,
Skokie, Ill.

Dear Mr. Edwards:

Your letter of January 31st was brought to the attention of our Directors at their February monthly meeting, and I was directed to write to you to inform you that as soon as we have anything of interest to report we shall be glad to send it along to you.

Yours truly,

J.P.Drumgoole.
Secretary.

March 7, 1956.

Dear Mr. Schultz:

You might insert in the Bull Gun this bit of news:

That the men who fired the 30 caliber qualification course last year received their certificates last month from the D.C.M. (Director of Civilian Marksmanship):

John McDermott, Emmie Kidder, Pete Matson, and Joe Holden.

And that we are receiving a little 22 and 30 caliber ammo. from the DCM, but, if more men would fire the 22 caliber 50 feet course or the 30 caliber course, or both, we would receive more ammo. and they would receive certificates of qualification.

Yours truly,

J.P.Drumgoole.
Sec.

PS: Charlie O'Connor is back.
